Dear Tara Winer, Boulder City Council, and Boulder Sister City Initiative friends,

We are deeply saddened to hear about the wildfires raging across Boulder County and the surrounding area.

As we follow the sad events as thousands are evacuating, homes destroyed, and businesses damaged, our heart pours out to you all. As your local municipality and emergency first responders work around the clock to end these fires, we are sending our love and endless support.

Today, our residents are joining the Boulder Fire Relief Fund produced by Jewish Colorado to help send immediate support to all of you in Boulder, which we hope will provide some relief for families and residents.

Ramat HaNegev Regional Council stands united in solidarity with our Partnership community in Boulder, Colorado, and throughout the Colorado community through these difficult times.

Ramat HaNegev will always stand and support you and your community, now and always.

Sincerely,

---

Eran Doron  
Mayor
